The following items will be used in class:

We will update you on the availability of machines for this event at a later date. It is our goal to provide demo machines from Bernina for this workshop. However, supply chain issues have made this challenging at recent events. We will update you with more information on available machines, rentals, or bringing your own when we have confirmation from Bernina on availability. Thank you for your understanding. Iron and portable pressing board (Pressing and Cutting Stations will be provided onsite. Electrical limitations may impact the types of personal irons that can be used at this retreat. More information, closer to the workshop will be provided).
