Materials List

**Irene Roderick**

*Dancing With The Wall*

### Supplies:

- Sewing machine and all stuff that goes with sewing: scissors, cutting wheel, cutting mat, marking pens/chalk, pins for pinning pieces together and for putting onto design wall
  
- Quilting rulers if you have them. I suggest 6” square, 10” square and 6.5x24”. If you have some, they are helpful for squaring up components made improvisationally
  
- A 48”x 60” or larger design board.
  
- Fabric:
  - 2-3 yards white or off-white
  - 1 yard of a dark (black, dark brown, navy, maroon, forest green)
  - 2 yards each of 3-4 different colors of fabric, mostly solids that “talk nicely” to each other

I get questions about using prints instead of solids and if that’s all you have available, please feel free but in my experience, students who use prints have more problems being able to create a clear design. Once you get experience with this process, prints can be used very effectively. Ultimately, it’s your decision.
