This is a recommended supply list, if you don't have the EXACT ruler or supplies please don't stress about it. We will make it work! What is important is not the supplies, it is showing up and having a willingness to experiment with patchwork.

Fabric

- A broad assortment of quilters cottons which may or may not include solids, tonals, small prints, and geometrics. 1/2 yard and one yard cuts are best. Strive to bring a variety of hues, values, and intensities of

each color on the color wheel and all the neutrals. A large suitcase, tub or box of fabric, depending on your travel method for getting to the workshop, should be plenty of fabric to work with.

FOR COLOR EXERCISES:

- Large variety of small scraps of solids and/or a variety of charm packs.
