PAINT –

Here is my palette. Please bring good quality paint, no student grade paints. (I find that students get frustrated with student grade or different brands of oil paint when trying to learn some of my color mixing and techniques) *Note Below: Different Companies may use the same color names but they are actually different hues!!!!(example – Gamblin’s Cad Yellow Deep is different from Winsor Newton’s Cad Yellow Deep).

- A Glass surface to mix your paints on (no paper please). You may already have glass in your easel... If not, one inexpensive way is to purchase a picture frame at Walmart or local Goodwill... 11x14 or larger.
 - Empty, clean pizza boxes are a great way to transport wet paintings. So drop by your local pizzeria and plead your case!

PLEIN AIR SUPPLIES – THESE ARE REQUIRED

- One Outdoor/portable easel such as–
 - o Alla Prima Pochade Box – this is the brand I use. (allaprimapochade.com)
 - o The Edge easel (for those with some experience in plein air) lightweight and the size of a laptop (edgeprogear.com)
 - o Strada, Soltek or a good solid French easel.
- Palette Knife (I use “Liquitex Small Knife #5”)
- Brush Washer (I use a Newton 5” tall clamped lid washer)
- Viva paper towels (smooth textured) these are the best... no substitutions please
- Sketch pad and pencil
- Mineral Spirits – Gamblin Gamsol only (if flying in, Gamsol will be provided)
- Plastic grocery bags for trash
- TV Tray or portable lightweight table (optional). I use a 24” tall folding camping table.
- Cotton cosmetic swabs (I buy mine at Sally’s Beauty Supply called Eye Tees, Precision Makeup Applicators). They have a small pointed end and a wider flat end. If you can’t find these, I will have extras.
- Baby Wipes or ways of cleaning your hands
- An Old walking cane or mahl stick
- A good hat to block the sun!
- I will be doing demos in the field, so you might want to bring a folding chair or stool.

BRUSHES –

Visit Rosemaryandco.com and search for Kathie Odom’s Brush Set (This will show the types and sizes of brushes I use).

CANVAS –

I use Centurion OP DLX Deluxe Oil Primed Linen Panels. The quality of the primed linen surface allows for versatility in the movement of paint. **No cotton canvases please.**

Purchase a variety of some of these sizes... 9x12, 12x16, 14x18, 16x20

(if bringing a larger canvas is a hardship because of travel, simply bring a couple additional smaller ones)

THESE LINEN CANVASES ARE REQUIRED... NO COTTON CANVASES

These are the materials I use. I am aware that it is a substantial investment (IT’S WORTH IT!). Bring an open spirit ready to try new things and come to enjoy being with kindred spirits !!!
