Derwent Inktense: poppy red

GRAPHITE PENCILS

Staedtler Mars Lumograph 6B or 8B. Intense Matte black, not shiny at all (look for black body NOT green body)

+ DO bring along anything else that's a favourite to use or as an alternative. And Pat will bring things of hers for you all to borrow during the week, (not her Fude pens, though!).

And there will be a names-in-a-hat lucky dip at the end : so some of you will have one of her demos to take home!
